

### Request for non-NHS Service

Dear Patient,

You have requested that a doctor at this practice provides a service that is not part of core NHS work. Examples are providing letters for holiday cancellation, medical letters for gyms and health clubs, and insurance reports.

These services are not covered by the National Health Service and thus attract a fee.

In order for us to proceed with your request please complete the section below. Once you have completed the form, the doctor will look at your request and decide what the fee will be.

**Once you have agreed and PAID the exact fee in cash, the doctor will then complete your request.**

**PLEASE ALLOW A MINIMUM OF TWO WEEKS FOR THIS WORK TO BE COMPLETED**
